

10 Bay Smart Box for Android / iPad - with Adjustable Shelves

The Vrova Smartbox (SB-M10) is a perfect solution for syncing & charging up to 10 tablets (up to 10" size) at a time. The unit has LED indicators showing glance able information on charging status for all the connected devices. It is a fully secure solution with slide in lockable front door for easy access & space saving purposes.

The innovative adjustable shelves allows for a modular design to accommodate devices of different sizes along with cases. A scalable and versatile solution with the ability to daisy chain and stack up to 3 Smartboxes for syncing and charging 30 tablets at once. The unit can also be wall mounted with the optional mounting brackets (to be purchased separately).
