Functional, Secure &
Compact

Durable & Elegant Design

- A hybrid steel & high strength plastic construction gives it durability, light weight and elegant looks.
- 5" rugged and sturdy medical grade castors makes it easy to maneuver on all types of surfaces.

Functional, Secure & Compact

- Shelves are easily accessible for loading and retrieval of the device. The cart can take devices up to 15.6" size giving you the flexibility to choose the device of any size to suit your requirement.
- Inbuilt smart cable management and the baskets for holding the power adapters keeps everything in place and tidy.
- Use your own lock and key system for securing both the front and rear doors.

Seamless Intelligent Charging

- Intelligent charging system determines the best charging sequence without any programming required.
- Devices are efficiently charged and protected from any circuit overload.
- When fully loaded each shelf is charged sequentially in intervals (approx.) of 15 minutes till all the devices are charged and then automatically switched off.

Physical Characteristics

External Dimensions (mm)	927.1(H) X 769.62(W) X 551.18(D) mm
