Quick Start Guide

Introduction

Increase the functionality of your iPad Pro/Macbook Pro/Air or any other USB-C enabled device with the ALOGIC USB-C Dock Nano Mini with USB-A. USB-C Dock Nano Mini provides you full access to some of the most popular peripheral ports for the home, office or on-the-go. Featuring 4K HDMI (30Hz) output for a crisp resolution when you connect to an external display monitor, USB-A with USB 3.0 supporting up to 5Gbps data transfer rate, USB-C with Power Delivery (60W) with audio and a 3.5mm AUX port. With a plug-and-play design, the Dock Nano Mini becomes an extension of your device without the need for software or drivers.

Specifications

Model	ULDNAMN-UA-SGR ULDNAMN-UA-SLV
Input	USB-C x 1
Output	1 x 4K HDMI (60Hz) , 1 x USB-A (USB 3.0) with 5Gbps data transfer rate, 1 x 3.5mm Headphone jack, 1 x USB-C with Power Delivery (30W) and Audio

Features

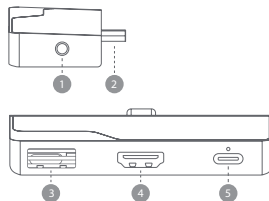

- Highly portable due to its compact and lightweight design
- Crafted from aluminium and soft-touch ABS for an elegant design
- Includes a full array of ports – 4K HDMI (30Hz), USB-C with Power Delivery (60W) and audio, 3.5mm audio headphone jack and USB-A (USB 3.0)
- LED light to indicate connectivity
- Universal compatibility with most USB-C devices such as the iPad Pro, Macbook Air/Pro, etc

Package Contents

- USB-C Dock Nano Mini with USB-A
- User Manual

Physical Layout

- 1 3.5mm Audio Port
- 2 USB-C Connector
- 3 USB-A
- 4 4K HDMI Port
- 5 USB-C Port
(Audio + Power Delivery)

Making the Connection

1. Plug the Dock Nano Mini's USB-C connector into your iPad Pro's or Laptop's USB-C port. With a Plug and Play design, the device should work automatically without the need for additional driver or software installation.
2. Connect your existing HDMI cable to the dock's 4K HDMI (30Hz) output and to an external display monitor for high-resolution presentations, video streaming and conference calls while on-the-go. Requires direct HDMI to HDMI connection.
3. The USB-C Power Delivery (60W) port and USB-A (USB 3.0) supports rapid data transfer to and from your device.
4. Attach your headphones to the Dock Nano Mini's additional 3.5mm audio headphone jack to listen to music while charging your device simultaneously for an uncompromising portable experience.

FCC Warning

This device complies with part 18 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
